

# CERTIFICATE

## The company

**ProfTool Europe AB**  
Verkstadsvägen 11  
742 34 Östhammar, SWEDEN

is granted authorisation according to STANDARD 100 by OEKO-TEX® to use the STANDARD 100 by OEKO-TEX® mark, based on our test report **22-1135042-1**

## for the following articles:

**Woven and knitted workwear made of cotton, polyester, polyamide, and elastane in different blends. Including accessories: Zippers, sewing thread, interlining, padding, velcro, elastics, reflective tape, buttons, labels, ID-pocket, ribbons and cords, labels, embroidery patch and trims made of metal and plastic.**

**All workwear under the brand name EXELAR.**

**(Based on materials already certified according to STANDARD 100 by OEKO-TEX®)**

The results of the inspection made according to STANDARD 100 by OEKO-TEX®, Annex 4, **product class II** have shown that the above mentioned goods meet the human-ecological requirements of the STANDARD 100 by OEKO-TEX® presently established in Annex 4 for products with direct contact to skin.

The certified articles fulfil requirements of Annex XVII of REACH (incl. the use of azo colourants, nickel release, etc.), the American requirement regarding total content of lead in children's articles (CPSIA; with the exception of accessories made from glass) and of the Chinese standard GB 18401:2010 (labelling requirements were not verified).

The holder of the certificate, who has issued a conformity declaration according to ISO 17050-1, is under an obligation to use the STANDARD 100 by OEKO-TEX® mark only in conjunction with products that conform with the sample initially tested. The conformity is verified by audits.

**The certificate SE 21-259 is valid until 31.07.2023**
