

# PARTS KIT, OIL CHANGE FOR ALL-WHEEL-DRIVE COUPLING (4MOTION GENERATION IV)

HYDRAULIC FILTER, ALL-WHEEL-DRIVE COUPLING | 17301

## SPECIAL FEATURE

Due to VW the change of the filter of the 4th generation HALDEX coupling is not foreseen during the oil service of the multi-plate clutch. Therefore it is not available separately from Audi, Seat, Škoda or VW. Our technicians as well as the clutch manufacturer strongly recommend to replace this filter at the oil service. With this EXPERT KITS+ VAICO offers a much more comprehensive service solution than the vehicle manufacturer.

## APPLICATIONS

All 4Motion models of the VAG Group with Generation IV HALDEX coupling from 2009 onwards (e.g. A3, Golf VI, Passat, Tiguan, Octavia and many more)

## ADVANTAGES

- EXPERT KITS+ with filter, hydraulic oil & mounting material
- hydraulic oil MADE IN GERMANY
- filters at the vehicle manufacturer not available

## PARTS LIST

- 1x hydraulic filter V10-5000
- 1x hydraulic oil (1 Litre) V60-0363 - G 060 175 A2
- 1x oil drain plug with seal ring
- 1x filling screw

## HYDRAULIC FILTER, HALDEX COUPLING

**i. a. fitting for** A3, TT, Golf VI, Passat, Tiguan, Octavia
